To whom it may concern,

I want to express my complete gratitude for how Wakefield Co-op and Leo Barrett have handled our relationship and the financing of our properties. We have relationships with just over 14 banks throughout Massachusetts, and Wakefield Co-op and Leo stand out by providing us with impeccable service and customer follow-up. Their responsiveness to our needs is what will keep us coming back to them for future business.

It is a pleasure doing business and being a customer of Wakefield Co-operative Bank and Leo Barrett.

Sincerely,

- Mark L., Principle, Mission Capital Group
