We had the pleasure of working with Elaine Foley at Wakefield Co-operative Bank in Lynnfield. After an exhausting search to find the right mortgage lender—through word of mouth, and through reviews on Yelp (of course), we came across Elaine. We could not be happier!

As first-time homebuyers, she made the process very smooth and very positive. She was responsive and acknowledged any questions we had through it all. When schedules conflicted, she made it a point to even drive to my work for me to sign documents! Needless to say, due to her hard work and ambition, we had everything done one week before closing.

She is an absolute sweetheart, and again, made buying our first home SEAMLESS. We had no clue going into this what we were up against but we took the chance with her and we are so thankful. We both learned so much about what goes into buying a home. If it wasn't for her being so personable and making us laugh along the way, I would say that buying a home is a very stressful experience—but that wasn't the case!

We will miss working with her but made sure to open a checking account at the bank so we could always pop in and say hi!

Thank you again Elaine for being so diligent and getting us into our dream home as easily as you did! We are so thankful and will recommend you everywhere we go. You are a first-time homebuyer MUST HAVE 😊.

Many Thanks,

Krista & Brad
